## JUST A FEW QUESTIONS!

1. How do you perceive your child's dental health?

---

---

---

2. How have your child's previous dental experiences been?

---

---

---

3. How have "your" previous dental experiences been?

---

---

---

4. Is there anything else you would like to share with us?

---

---

---

Thank you for answering these questions. They will enable us to individualize your child's dental care.
